

PRODUCT INFO

DIESEL FUEL CONDITIONER™

Product # 94390

Cleans Fuel Systems to Reduce Emissions, Restore Power and Improve Fuel Economy

THE PROBLEM:

Modern diesel engines use sophisticated fuel injection systems to provide efficient engine operation. Deposit build-up in the fuel injectors affects the spray pattern contributing to poor performance, reduced fuel economy and increased emissions. Ultra low sulfur diesel fuel often lacks the lubricity to protect critical fuel system components and can lead to increase wear in pumps and injectors.

THE SOLUTION:

PROTEX by BARDAHL® Diesel Fuel Conditioner™ is a complete multi-functional diesel fuel supplement that adds a fuel system detergent, a Cetane booster and a lubricity additive to keep fuel systems clean, improving combustion and reducing wear. The Engine Manufacturers Association (EMA) recommends the use of “premium” diesel fuel to get the maximum performance and this conditioner turns regular diesel into premium grade diesel fuel.

THE BENEFITS:

- ⇒ Removes fuel injector deposits and keeps injectors clean
- ⇒ Restores injector spray patterns to improve power, performance and fuel economy
- ⇒ Prevents deposits caused by use of biodiesel blends
- ⇒ Increases Cetane rating of fuel to improve combustion and reduce emissions
- ⇒ Enhances lubricity of fuel to protect pumps and injectors from wear
- ⇒ Protects entire fuel system from rust and corrosion
- ⇒ Suitable for use with all types of fuel injection and safe with DPF and Catalytic Converter

DIRECTIONS:

Add to tank prior to filling-up with fuel. One bottle treats up to 35 gallons. Use at every fill-up. If fuel system is dirty use **CRDI Cleaner™** to quickly remove existing deposits; then use this solution to keep the fuel system clean and maintain power and performance. Dispose of any used or unused solution and container in accordance with the local, state and federal regulations.

PRODUCT SPECIFICATIONS:

Product #	94390
UPC Code	0 76906 94390 1
Size	11 oz (325 ml)
Case Pack (Qty / Wt)	12 / 10 lbs
Case UPC	30076906943902
Color	Light Amber
Specific Gravity	0.87
Flash Point	>141° F / 60.5° C
